

Stunning Start

Plastic Hunt - Children to hunt around the school in groups for everything made of plastic. They will audit the plastic resources in each class room and then provide ideas for an alternative material.
Dress member of staff as mummy.

P.E.

Dance
Count steps in time to the music
Move to the beat
Move body parts together EG arms and legs

Science

Rocks
I can identify and group sedimentary and Igneous rocks
Compare physical properties of rocks
Know that rocks weather and erode
Know what soils are made from
Know what a fossil is and where to find them
