As St. Joseph's is a Catholic school, the governing body has a responsibility and duty to maintain the Catholic character of the school. This will be borne in mind in all considerations of applications for admission.

St. Joseph's is a Catholic School and Religious Education and the Catholic ethos are central features of the school. It is expected that all children, parents and staff will be fully involved in this crucial aspect of school life. We aim to foster the development of our pupils in their faith, through example and shared values.

Parents are invited and are encouraged to attend Assemblies and Masses in school so that they can share these religious celebrations with their children. All children take part in religious education lessons and celebrations.

I have read and fully understand the above information.
